PROFESSIONAL SUMMARY

Detail-oriented brand and digital designer with a marketing background and hands-on IT and web skills, so I design with the business goal in mind and handle the technical side too. Experienced in social media creatives, branding, packaging, and promotional design/launch campaigns, plus UI/web design, Figma, WordPress, and HTML/CSS. CompTIA A+ certified, receptive to feedback, and quick to revise; comfortable working remotely and meeting deadlines

PROFESSIONAL EXPERIENCE

FREELANCE GRAPHIC & DIGITAL DESIGNER

Lagos, Nigeria | **Freelance | 2023 - Present**

- Designed branding and packaging for 10+ clients in e-commerce, NGOs, and logistics, including logos, colour systems, and print-ready files.
- Created logos and brand mockups for small startups.
- Produced 20+ social media graphics and freelance visual assets, including carousels and banners, for an e-commerce business and its social pages, maintaining a consistent visual identity.
- Checked designs for alignment, colour consistency, and file specifications before delivery, and revised promptly based on client feedback.
- Delivered projects on agreed deadlines.
- Designed a shopping app UI concept in Figma, from wireframes to a clickable prototype.
- Customized and built a responsive courier website in HTML/CSS and completed an unfinished WordPress e-commerce store, improving its layout, content, and overall user experience.

IGHOMALL ONLINE STORE

Online Marketer | 2019

- Part of the online marketing team whose promotional activities contributed to a 16% increase in sales over six months.
- Monitored competitor vendors' prices to keep our product pricing competitive.
- Listed products on third-party sales platforms with clear descriptions and meta tags to improve search visibility.
- Handled customer orders, followed up to confirm delivery, and collected product feedback.
- Promoted to full-time graphic designer and IT support in recognition of strong results and my design and technical skills.

Graphic Designer / IT Support | 2019-2022

- Designed flyers, banners, posters, carousels, and social media assets for the store's online promotions, focusing on layout, typography, and colour.
- Met daily design KPIs, delivering two social media designs a day (one for Instagram, one for WhatsApp) plus banners for the store's main website, on schedule.
- Collaborated with team members across marketing and administration to deliver campaign visuals on schedule.
- Supported product campaigns and sales promotions that increased engagement and sales by at least 25% helped clear stock.
- Provided IT support and coordinated inventory with the admin team.

DALE HEIGHTS SCHOOL

IT Support & Teacher | 2017-2018

- Provided IT support and taught students computer applications and practical skills.
